

7 February 1964

MEMORANDUM FOR: Deputy for Technology
Office of Special Activities

SUBJECT : [redacted] Sunnyvale, California

1. During a recent visit to the West Coast, I visited [redacted] and received a capabilities presentation. It was given by [redacted] and [redacted]. The briefing took place on January 27th.

2. Attached are documents furnished by [redacted] to acquaint us with the firm. They also gave to me a letter proposal dated January 28, 1964, concerning a Satellite Readout System in the 1965 Time Period. I understand that this subject was discussed briefly with you and [redacted] during a recent headquarters visit. It should also be noted that [redacted] was contacted by [redacted] and the subcontract referred to in the proposal would cover [redacted] support made available by [redacted].

3. Should you not find these of present or future use, please return them so that I might make them available to other offices in the DD/S&T.
